NO CHILD

by Nilaja Sun
Directed by Rob Ruggiero

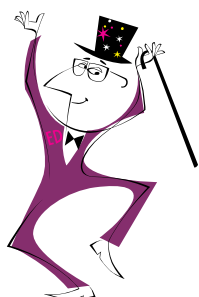

Aug 15 through Sept 28, 2008 at TheatreWorks

Follow a teaching artist as they attempt to put on a student play at one of New York's toughest inner-city schools. Can she get past the budget constraints, metal detectors, standardized testing, and teacher burnout to find a way to reach the students, for whom just getting to school every day can be a struggle? This bracing and comedic tour de force is essential viewing for those who care about the state of public schools!

"Nilaja Sun's show about our educational meltdown is irresistible theatre." — *The Hollywood Reporter*
