

DRAFT

Description	Function	Department	Estimated Square Footage	Primary Equipment	Primary Furniture
Capital Community College Request for Space Revised 2/8/06					
Micro-biology Lab and storage	Instruction	Science	1300	Computer/printer/projector and screen/sinks	Benches/chairs for at least 30
Chemistry Lab and storage	Instruction	Science	1300	Computer/printer/projector and screen/sinks	Benches/chairs for at least 30
Radiology Lab and storage	Instruction	Science	1000	Computer/printer/projector and screen/sinks	Benches/chairs for at least 30
General Biology Lab and storage	Instruction	Science	900	Computer/printer/projector and screen/sinks	Benches/chairs for at least 25
Customer Service Institute	Training	Continuing Education	1300	Computer - laptop/printer	Seating for 50 and moveable workstations 20
Simulation lab	Training	Continuing Education	750	Computer - laptop/printer	Moveable workstations 20/misc furniture
Office Space	Instruction Support	Continuing Education	150	Computer/printer	Desk
Office Space	Instruction Support	Continuing Education	150	Computer/printer	Desk
Storage	Housed supplies	Continuing Education	100	Copier, shelves	copier
Kitchenette	Food preparation	Continuing Education	150	All major appliances sink/cabinets	Table and chairs seating 8
Large training room-Corporate	Multipurpose	Continuing Education	1235	Audio/visual and computer/printer	Seating for at least 50
Small training	Multipurpose	Continuing Education	600	Audio/visual and computer/printer	Seating for at least 25
Small training	Multipurpose	Continuing Education	600	Audio/visual and computer/printer	Seating for at least 25
Classroom general purpose	Training	Continuing Education	650	Audio/visual and computer/printer	Seating for at least 25
Seminar Room	Multipurpose	Continuing Education	600	Audio/visual and computer/printer	Seating for at least 30
Classroom general purpose	Multipurpose	Continuing Education	600	25 Computers with 5 printers	Seating for at least 25
Seminar Room	Multipurpose	Continuing Education	600	Audio/visual and computer/printer	Seating for at least 25
Kitchen	Teaching	Continuing Education	600	Audio/visual and computer/printer	Seating for at least 25
Office Space	Suite	Continuing Education	450	All major appliances/sink/oven/cabinets etc.	Table and chairs seating 20
Office Space	Suite	Continuing Education	1800	Reception area, offices-10 and storage.	General Office (desk, computer, chairs etc)
Computer Lab	Training	Continuing Education	750	Dean GE Office Area	General Office (desk, computer, chairs etc)
Computer Lab	Training	Continuing Education	1100	30 Computers with 5 printers	Seating for at least 40
Computer Lab	Training	Continuing Education	850	30 Computers with 5 printers	Seating for at least 30
Office Space	Training	Continuing Education	600	25 Computers with 5 printers	Seating for at least 25
Office Space	Academic Advising	Counseling	150	Computer/printer	Desk
Office Space	Academic Advising	Counseling	150	Computer/printer	Desk
Presidential Suite	President Office	Counseling	150	Computer/printer	Desk
Classroom general purpose	Teaching	Executive Administration	1000	President Office Supplies	General Office (desk, computer, chairs etc)
Classroom general purpose	Teaching	General Academics	800	Computer/printer/projector and screen	Seating for at least 25
Classroom general purpose	Teaching	General Academics	1600	Computer/printer/projector and screen	Student desk for at least 60
Classroom general purpose	Teaching	General Academics	1500	Computer/printer/projector and screen	Student desk for at least 50
Office Space	Academic Support	General Academics	150	Computer/printer	Desk
Office Space	Academic Support	General Academics	150	Computer/printer	Desk
Executive Conference Room	President Office	General Use	600	Computer/printer/projector and screen	Conference table small table and lamp table
Large lecture hall	Educational	Nursing	3000	Computer/printer/projector and screen/audio system	Seating for at least 180
General lecture hall	Educational	Varied	2500	Computer/printer/projector and screen/audio system	Seating for at least 150
Conference Room	Varied	Varied	350	Computer/printer/projector and screen	Conference table
Mail Room	Administration	Varied	150	Computer/printer/projector and screen	Conference table
			29825	Shelving	Desk and Chair

	General Changes	
<p>Moves</p> <p>Presidential Offices CE Operations moved offices, classrooms and labs CPMS all moved to 3rd floor (4) rooms Move CALAHIE to room 313</p>	<p>See Room sheet See Room sheet See Room sheet See Room sheet See Room sheet See Room sheet</p>	
<p>Main Additions</p> <p>2 lecture halls 4 science labs 3 large classrooms (contiguous)</p>		
<p>Available</p> <p>3 rd floor - Kitchen 6th fl - 4 open all day computer labs with CPMS move 6th fl - 4 computer labs - former CE rooms 3rd fl - CE suite area 3rd fl - CE Dean offices 11th fl - President Offices - former President Offices 11 classroom open up with CPMS future move</p>	<p>See Room sheet See Room sheet See Room sheet See Room sheet See Room sheet See Room sheet</p>	
<p>Loss</p> <p>Loss of 3 classrooms 7th floor - for student lounge</p>		
<p>Notes</p> <p>Large classroom logistics for nursing What is the nursing class size Large labs logistic related to lecture and storage space ADA seats (1-2) in all classrooms, labs, lecture halls etc. Chemistry/biology venting and other OSHA type requirements Should the large classes/halls have built in mic system Kitchen-teaching exhaust issue and or other requirements ADA requirements all over Contact CL&P energy efficiency experts Information Technology wiring and plans Tying area to energy management system AV layout and plans Elevator usage and type (Freight/passenger) Must designate camera areas Soundproofing music lab on 3rd floor (other offices present)</p>		

Room usage			
Room	Current	Fall 06	Fall 08
301	CE Classroom	CPMS	Bookstore
302	CPMS	CPMS	Bookstore
